

## Self-Evaluation for Chapter 6

	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
1. Professional development is ongoing.					
2. We use instructional rounds to:					
• Give feedback to colleagues and team members					
• Learn by observing expert teachers					
3. In our use of reflective practice:					
• We have a model of effective teaching					
• We set individual and/or group growth goals					
4. We engage in team coaching using video recordings.					
5. We acquire student feedback and modify our teaching based on the results.					
6. We engage in action research.
