

15. What do I typically do to organize students to practice and deepen knowledge?

The teacher uses grouping in ways that facilitate practicing and deepening knowledge.

Teacher Evidence

- Teacher organizes students into groups with the expressed idea of deepening their knowledge of informational content.
- Teacher organizes students into groups with the expressed idea of practicing a skill, strategy, or process.

Student Evidence

- When asked, students explain how the group work supports their learning.
- While in groups, students interact in explicit ways to deepen their knowledge of informational content or practice a skill, strategy, or process such as the following:
 - Asking each other questions
 - Obtaining feedback from their peers

How Am I Doing?

	4 Innovating	3 Applying	2 Developing	1 Beginning	0 Not Using
Organizing students to practice and deepen knowledge	I adapt and create new strategies for unique student needs and situations.	I organize students into groups to practice and deepen their knowledge, and I monitor the extent to which the group work extends their learning.	I organize students into groups to practice and deepen their knowledge, but I do so in a somewhat mechanistic way.	I use the strategy incorrectly or with parts missing.	I should use the strategy, but I don't.
