How Am I Doing?

Celebrating success	I adapt and create new strategies for unique student needs and situations.	I provide students with recognition of their current status and their knowledge gain relative to the learning goal, and I monitor the extent to which students are motivated to enhance their status.	I provide students with recognition of their current status and their knowledge gain relative to the learning goal, but I do so in a somewhat mechanistic way.	I use the strategy incorrectly or with parts missing.	I should use the strategy, but I don't.
