

Table 2.1: Stems for Detail Questions

Type	Detail Questions
People	What <i>time period</i> is associated with this person? What <i>places</i> are associated with this person? What <i>events</i> are associated with this person? What <i>accomplishments</i> are associated with this person?
Organizations or groups	What <i>beliefs</i> are associated with this organization or group? What <i>locations</i> are associated with this organization or group? What <i>time period</i> is associated with this organization or group? What <i>events</i> are associated with this organization or group?
Intellectual or artistic products	What <i>person</i> is associated with this product? What <i>time period</i> is associated with this product? What <i>event</i> is associated with this product? What <i>causes or consequences</i> are associated with this product? What <i>places</i> are associated with this product? What <i>values</i> are associated with this product?
Naturally occurring objects or animals	What <i>events</i> are associated with this object or animal? What <i>people</i> are associated with this object or animal? What <i>time period</i> is associated with this object or animal? What <i>locations</i> are associated with this object or animal? What <i>system</i> is this object or animal a part of? What <i>color, number/quantity, or dimension</i> is associated with this object or animal?
Naturally occurring places	What <i>events</i> are associated with this place? What <i>people</i> are associated with this place? What <i>time period</i> is associated with this place? What <i>location</i> is associated with this place?
Manmade objects	What <i>locations</i> are associated with this object? How is this object <i>used</i> ? What <i>larger entity</i> is this object part of? What is the <i>process</i> for making this object? What does this object <i>look like</i> ? What <i>value</i> is associated with this object? What <i>dangers</i> are associated with this object?

Type	Detail Questions
Manmade places	<p>What <i>events</i> are associated with this place?</p> <p>What <i>people</i> are associated with this place?</p> <p>What <i>location</i> is associated with this place?</p> <p>What <i>actions</i> are performed at this place?</p> <p>What <i>larger entity</i> is this place part of?</p> <p>How is this place <i>acquired or sold</i>?</p> <p>What <i>value</i> is associated with this place?</p> <p>What <i>dangers</i> are associated with this place?</p>
Events	<p>What <i>people</i> are associated with this event?</p> <p>What <i>time period</i> or date is associated with this event?</p> <p>What <i>places</i> are associated with this event?</p> <p>What <i>causes or consequences</i> are associated with this event?</p> <p>What <i>happened</i> during this event?</p> <p>What <i>equipment</i> was used during this event?</p> <p>What <i>problems</i> were caused or solved by this event?</p>
Natural phenomena	<p>What <i>places</i> are associated with this phenomenon?</p> <p>What <i>time</i> is associated with this phenomenon?</p> <p>What <i>causes or consequences</i> are associated with this phenomenon?</p> <p>What <i>happened/happens</i> during this phenomenon?</p>
Physical actions	<p>What <i>process</i> is associated with this physical action?</p> <p>What <i>locations</i> are associated with this physical action?</p> <p>What <i>purpose</i> is associated with this physical action?</p> <p>What <i>causes or consequences</i> are associated with this physical action?</p>
Mental actions	<p>What <i>process</i> is associated with this mental action?</p> <p>What <i>purpose</i> is associated with this mental action?</p> <p>What <i>causes or consequences</i> are associated with this mental action?</p>
Feelings, conditions, or states	<p>What <i>actions</i> are associated with this feeling, condition, or state?</p> <p>What <i>causes or consequences</i> are associated with this feeling, condition, or state?</p> <p>What <i>places</i> are associated with this feeling, condition, or state?</p> <p>What <i>values</i> are associated with this feeling, condition, or state?</p> <p>How does something or someone <i>arrive at</i> this feeling, condition, or state?</p> <p>What <i>dangers</i> are associated with this feeling, condition, or state?</p>
Human constructs (ways of organizing the world)	<p>What <i>concept</i> does the human construct refer to?</p> <p>What <i>measurement, quantity, or quality</i> is associated with the human construct?</p> <p>In what way does the human construct help <i>organize the world</i>?</p>
